Auckland Community Accounting is a free service which offers support, advice or assistance on financial matters.

Who is this service for?

Community groups, including sporting, cultural and social service agencies within the region, are able to access this service free of charge.

- ◇ Struggling with your charities finances?
- ◇ Need help understanding the treasurer's role?
- ◇ Having difficulty completing your annual return and performance report?
- ◇ Need help understanding the financial responsibilities of a Governance Board or Committee?
- ◇ Unsure what financial and non-financial resources are available to assist your charity?
- ◇ Experiencing difficulty working with your accounting software?

How does it work?

- ◇ Auckland Community Accounting provides regular free and accessible clinics, where treasurers and other board members of small to medium community groups can bring queries to trained accounting students under the supervision of a Chartered Accountant.
- ◇ This provides accounting students with practical experience and encourages increased involvement in the local community sector.
